

**BRENNTAG**

ENJOY YOUR GOOD DECISIONS

Brenntag provides you with a complete range of specialties for personal care. Whatever is on your shopping list: surfactants, vitamins, thickeners, emulsifiers, conditioners, opacifiers, sun screen filters, preservatives, actives... any ingredients you need, just contact us.

Leading to excellence.

We are the leading - and pacesetter - distributor of specialty chemicals throughout Latin America. You can rely on our technical expertise, our international marketing concept, and - of course - our high standard of quality control and safety.

Partnership is our formula.

We work as the extended arm of our principals. As a market intermediary we pass on our know-

ledge to both customers and suppliers, creating transparency and trust in the partnership.
